

Disclaimer

DENAS and DiaDENS devices have been approved for medical use in the Russian Federation, all European Countries (Germany, France, and Czech Republic etc), Australia, Israel, Ukraine, Republic of Belarus, Kazakhstan, Kyrgyzstan, Uzbekistan and Latvia. Most countries worldwide accept Euro certificates and therefore to use our products for medical devices. All devices that we send outside Russian Federation have the CE Mark.

DENAS Technology is similar to and based on SCENAR Technology incorporating biofeedback principles. SCENAR is approved by the FDA in the USA as a BioFeedback device.

Web site denasms.com is the individual property of Mr Pavel Maslennikov who is not an owner of DENAS MS Corporation, but its associate for distribution of devices in different countries outside the Russian Federation.

Moreover, Mr Pavel Maslennikov or distributors (associates) of DENAS MS Corporation will not be held responsible for any consequences, harmful or otherwise, that may occur as a result of the use of this equipment, and the user does so at his/her own risk.
